STATUTES OF THE DOMINIQUE RENOUARD, OP, FUND OF THE ORDER OF PREACHERS

PREAMBLE

The AGC Bogotá 2007 (Commissio 269) commissioned the establishment of a fund to support formation in fragile entities. During this General Chapter, our brother, fr. Dominique Renouard, OP, unexpectedly died. In light of his service to the Order and his concern for the fragile entities of the Order while he served as Vicar of the Master, the fund was named in his honor. Since 2007, due to the increased needs of the Order, the purpose of this fund was expanded to include support for formation and mission. As with the St. Dominic Fund, it may also support building projects and building renovations (cf., Section II, 6.3).

As a result of the ACG Roma 2010, the Order has established *Spem Miram Internationalis* which is its organization for solidarity for the Order. The Master of the Order delegates to this organization the management of all of the solidarity funds (which includes the Dominique Renouard, OP, Fund) for the Order.

SECTION I

INSTITUTION OF THE FUND

Article 1

The Fund was established by the Master of the Friars of the Order of Preachers, fr. Carlos Azpiroz Costa, O.P., and is called the DOMINIQUE RENOUARD FUND.

Article 2

The Fund shall be governed by these current statutes. These statutes apply in so far as they do not contravene any of the norms of common law or of the Constitutions of the Friars of the Order of Preachers.

PATRIMONY

Article 3

1. The patrimony of the Fund is made up of funds collected through the campaigns launched by the Masters of the Order and by gifts made to it and by other provisions made by General Chapters or by the Master of the Order.

2. The patrimony of the Fund may be endowed by all classes of goods, which may be held in any place or country.

Article 4

All other goods, which may be acquired in the future for this Fund, will be regarded as benefactions destined wholly for the fund according to the intention of the donor. The Syndic of the Order will keep a record of such intentions and include them in his annual report to the board of *Spem Miram Internationalis* so they may honor the intention of the donor when they recommend distributions from the Fund.

Article 5

The Fund may be liquidated by a decision of a General Chapter of the Order, or of the Master of the Order of Preachers with his Council such that it clearly specifies the destination and use of the remaining money for solidarity in the Order.

PURPOSE OF THE FUND

Article 6

1. The purpose of the Fund is to help the initiatives or projects of the Order of Preachers, which may help to enhance or improve its formation and mission in whatever way and in any region of the world.
2. The foregoing formulation and description is not to be understood as restrictive, nor does it entail an obligation to answer all requests, nor does it establish an order of precedence.
3. The Fund will not be used to maintain obsolete projects, nor dying structures. Nor will it be used for the purchase of any form of vehicles, nor any domestic appliances, even when these are necessary. The Fund may be used to finance building projects or building renovations.

Article 7

In the case of mismanagement of an approved grant from the Fund, the Master of the Order may, at any time, suspend the grant.

SECTION II

COMPETENCE AND BOARD

Article 8

1. The Fund is under the direct jurisdiction of the Master of the Order, who delegates its management to the board of *Spem Miram Internationalis*, the organization for solidarity for the Order of Preachers.
2. The board of *Spem Miram Internationalis* will have the competence, which is given it by these current statutes, or given to it at any time by the Master of the Order.

3. The board of *Spem Miram Internationalis* may propose to the Master of the Order and his Council further regulations, which may be necessary for the proper management of the Fund.

4. The president of the board of *Spem Miram Internationalis* will convoke a meeting of the board twice a year in order to review the requests for grants.

5. Organizations or entities seeking grants shall make their petition by means of a designated form, as outlined under Section IV, Time and Manner for Petitions for Grants.

He will make all necessary payments, including interests on liabilities and will carry out all functions proper to an administrator.

4. The Syndic of the Order will make a complete annual report of the economic situation of the Fund (current assets, liabilities, grants distributed and interest available for distribution) to the board of *Spem Miram Internationalis* by 31 March. This report will also be reviewed by the Economic Council of the Order before it is presented to the Master of the Order and his Council.

ECONOMIC MANAGEMENT OF THE FUND

Article 10

1. For reasons of bookkeeping, the financial year commences on January 1 and shall end on December 31.

2. The capital will only be invested in goods, which guarantee security, and in accordance with the principles of Investment Policy of the Order. For that reason the Economic Council of the Order will not permit the taking of unnecessary risks. At least once every six months the investment managers shall send a complete report to the Syndic who will send a report to the board of *Spem Miram Internationalis* on how the capital is invested, to what kind of Banks it is entrusted and what is the interest that is expected.

3. For better planning, an annual budget will be made of estimated income and expenditure and this budget will be submitted by the board of *Spem Miram Internationalis* to the Syndic of the Order and the Economic Council for recommendation to the Master of the Order and his Council.

4. The goods with which the Fund is initiated and any goods acquired in the future shall be noted in a special account and readily made available to the board of *Spem Miram Internationalis*.

CALCULATION FOR DISPOSITION OF INTEREST OF THE FUND

Article 11

1. The Fund is not an endowment and therefore all the capital may be used for the purpose of the Fund as indicated in these statutes. 10% of the interest derived from the investment of the Fund will be given to the Curia for management of the Fund. The remaining interest (90%) will be added to the fund and may be available for distribution according to these statutes.

2. The distribution of the interest of the Fund is made twice in a calendar year.

Article 13

1. The petition must be submitted and endorsed by the Prior Provincial of the entity, and, when appropriate, also endorsed by the Vicar Provincial.

3. The petition should clearly state the following: the reason for the petition, information about any financial aid sought from any other entity of the Order or from other institutions, and particular items requested in the forms.

4. For each petition, the president of the board will request a recommendation letter from the appropriate regional socius or curial promoter.
5. As a general principle, all petitions for grants shall indicate the total costs involved and the contribution made by the petitioner's entity towards the total cost.
6. The board of *Spem Miram Internationalis* will review the completed grant requests and make a recommendation to the Master of the Order for his final approval. The president of the board then communicates the decision to the petitioner.
7. Once a grant is approved, it must be used for the purpose for which it was petitioned. The necessary documentary proof of the use of the approved grant will be sent to the president of the board of *Spem Miram Internationalis* in a timely manner. Providing documentary proof of how an approved grant was used by an entity is a necessary prerequisite for consideration of another petition for grant from the same entity.
